

hoeveel tel je er?

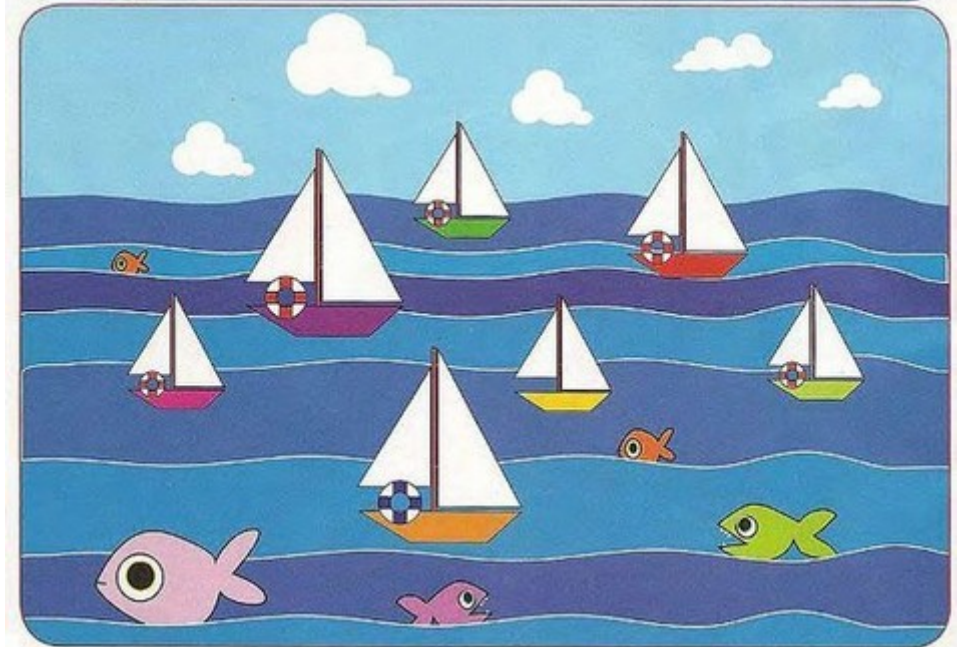

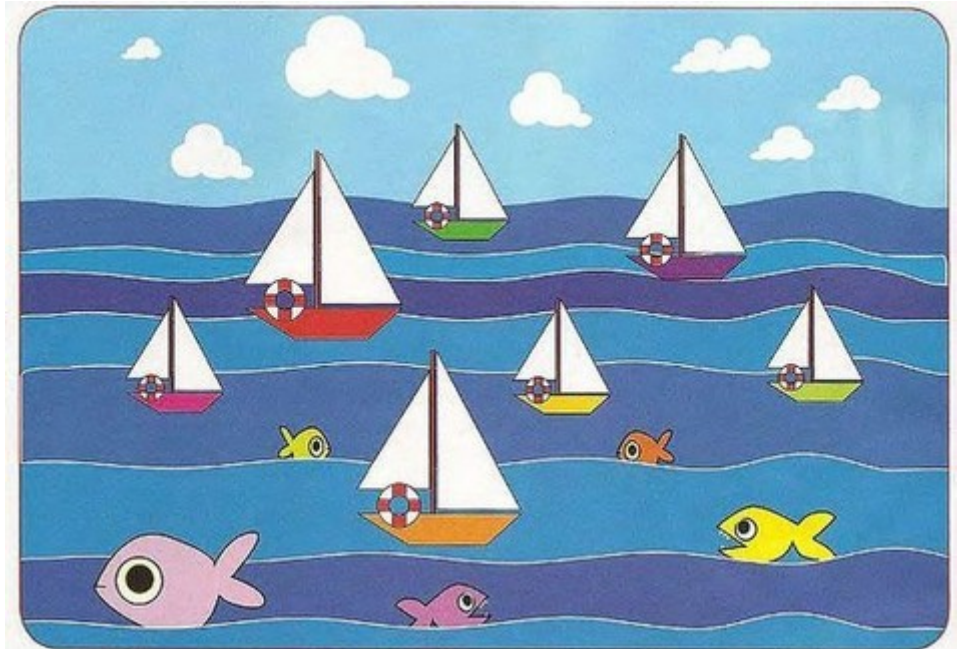

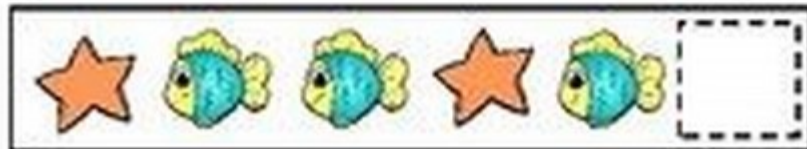

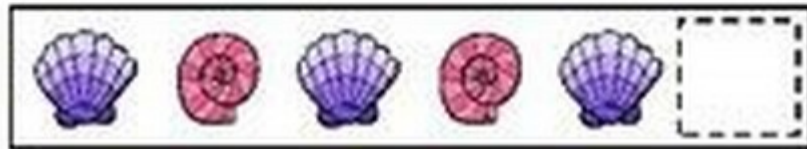

A colorful illustration of a beach scene. The sky is light blue with a smiling sun, several birds, and a few blue birds flying. The sand is yellow and contains two dogs, several beach balls, and a few blue birds. The water is blue and contains two children snorkeling, many small fish, two dolphins, and a dog. On the left side, there is a counting grid with five rows and two columns. The first cell in the first row contains the number '1'. The other cells are empty. The grid is used for counting the objects in the scene.
